

Dear Church Family:

For nearly two decades, Hikes Point Christian Church has served the people of Louisville and beyond. What began as the vision of just 40 people has evolved into an exciting story of exponential growth, transformed lives, and new areas of ministry. Today, more than 700 members participate in worship, Bible Study and fellowship opportunities. This past Christmas Eve we welcomed over 1,000 people, a record number, onto our campus to celebrate the birth of Christ.

Though our journey has included seasons of transition and stretching, it is through these times that we have developed a deep dependence on Christ. Leaders and staff realize that Hikes Point's story continues to unfold everyday as new people walk onto our campus and find the hope of Jesus Christ for their life!

In recent months, we have shared with you a vision to expand our reach in the areas of discipleship, leadership development, and helping enlarge our Children's Ministry area.

This vision includes:

- the relocation of the Nursery & Toddler areas to the west side of the building to consolidate the entire Children's Ministry (Nursery – 5th Grade) into the same area of the building. This would encompass the current office area as well as the lower level on the west side.
- the addition of a large "main floor" classroom, on the east side, for Bible Studies and ministry enrichment classes.
- the addition of an elevator on the east side, that would provide easy access to all three floors.
- the addition of a new Ministry Center, on the east side, that would house more staff offices, individual counseling rooms, and discipleship training rooms.
- enlarged restrooms for men and women on the main level.
- an enlarged foyer area for fellowship, ministry spotlights, and gatherings.
- a new HVAC system that would provide air conditioning to the gym for our growing Hispanic Service, Bible Study Meetings, and other ministry events.

As mentioned back in November, this step of faith calls for a need to raise a total of \$3 million (\$1.5 million in basic needs / \$1.5 visionary needs) to better serve our church and the community at-large. We're calling this effort, "Point Forward," because we believe these efforts will enable us to grow and look ahead in how we better serve our community to be impacted by the love of God.

Today we are excited to introduce to you the Capital Campaign Steering Committee (see the back of this sheet). In the coming weeks, we will be sharing the proposed layout of what everything will look like as we continue to move forward.

Again, these are exciting times at Hikes Point Christian Church, and we pray that you will prayerfully consider how God will use you in the upcoming months as we share His love together.

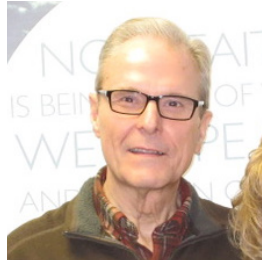

Jeff
